**LIST OF GOODS,
FOR WHICH CONFIRMATION OF THE
PERFORMANCE OF OBLIGATORY CERTIFICATION IS
REQUIRED FOR GOODS RELEASE INTO THE CUSTOMS TERRITORY OF THE
RUSSIAN FEDERATION**

Introduction

Register of commodities is given in tabular form, where column 1 depicts name (description) of commodities, column 2 gives positions of TN VED codes of Russia to which they belong (TN VED: classification of commodities for foreign economic activity of Russia).

Attribution of commodities to specific positions TN VED of Russia is made in accordance with criteria accepted in TN VED of Russia and rules of interpretation for TN VED of Russia.

When using above Register, objects for confirmation of their compliance are identified concurrently by names (descriptions) of commodities and codes as per TN VED of Russia.

Clarification of "from..." type in column 2 "Codes of positions for TN VED of Russia" indicate a necessity to make reference, first of all, to the name (description) of commodity.

Power plants and pneumatic engines	8412 31 900 0, 8412 39 900 0
Liquid pumps, oil pumps, or for a coolant for internal combustion engines or for automobiles; with flow indicators or without them; liquids elevators	8413 (excluding 8413 30 800, 8413 91 000, 8413 92 000 0)
Compressors used in refrigerating equipment: -with capacity not exceeding 0,4 kW or -hermetic or semi-hermetic with capacity exceeding 0,4 kW, but not more that 3 kW	8414 30 200 0 from 8414 30 810 2, from 8414 30 810 3
Air or gas compressors	8414 40, from 8414 80
Table, wall, floor, ceiling ventilators, ventilators for roofs or windows with electrical engine with capacity not exceeding 125 W	8414 51 000
Other ventilators	8414 59
Air conditioning units, equipped with engine ventilators and temperature and moisture measuring devices, including air conditioners, in which moisture can not be regulated separately	8415 10, 8415 20 000 0, 8415 81 001 0, 8415 81 009 0, 8415 82 000 9, 8415 83 000 9
Furnace burners for liquid fuel, gas and combined	8416 10, 8416 20
Furnaces and ovens for baking	8417 20, from 8486 10 000 9, from 8486 20 900 9, from 8486 40 000 9, from 8486 30 900 9, from 8417 80 850
Machines and equipment for garbage recycling, including: plate-type feeders; sieves, crushers, conveyors, bio drums, packaging press machines, washing units, clamshell buckets, separators, elevators, incinerators	8417 80 100 0, from 8514, from 8428, 8474 10 000 0, 8479 82 000 0, 8465 96 000 0, 8462 91 100 0, from 8421, 8431 41 00 0, 8422 20 000 9, from 8424 30, from 8441, from 8479 89 970 9
Drying ovens for cores and casting forms (reheat temperature not less than 150 degrees Celsius and not more than 350 degrees Celsius)	from 8486 10 000 9, from 8486 20 900 9, from 8486 40 000 9, from 8486 30 900 9, from 8417 80 850, from 8419 39, from 8514

Refrigerators, deep-freezers and other refrigerating or freezing equipment, electrical or of other kinds	8418 (excluding 8418 61 001 0, 8418 61 009 0, 8418 91 000 0, 8418 99)
Refrigerating plants with refrigerating capacity above 2,5 thousand standard kkal per hour	from 8418 61 001 0 from 8418 61 009 0 from 8418 69 000
Water heaters for bathrooms (instantaneous water heaters) and water heaters (automated capacitive) on gaseous fuel	from 8419 11 000 0, from 8419 19 000 0
Medical sterilizers, surgical with electrical line supply	from 8419 20 000 0
Dryers	8419 31 000 0, 8419 32 000 0, 8419 39
Tower devices for distillation or purification, used in various industry sections	from 8419 40 000
Heat exchangers (except the water-to-water heater)	from 8419 50 000 0
Heat exchangers, radiators for auto-moto-transport facilities classified in commodity positions with 8701 on 8705 (except for auto-moto-transport facilities, second-hand, restored and tractors)	8419 50 000 0, 8708 91
Machines and equipment with electrical and non-electrical heating for thermal treatment of foodstuffs and raw materials	8419 81 200 9, from 8419 81 800 9, from 8419 89 98
Electrical units for fish, meat, poultry, lard smoking (with capacity up to 6,0 kW inclusive)	from 8419 81 800 9
Electric boilers for fodder steaming	from 8419 89 989 0
Electrical tire vulcanizing heaters	from 8419 89 989 0
Asphalt warming devices	from 8419 89 989 0
Calender or other swath machines, used for manufacture rubbers or plastic	from 8420 10 500 0
Calender for laundry	from 8420 10 900 0
Devices for dough rolling into list forms	from 8420 10 900 0
Milk separators and separators for other liquid foodstuffs (excluding manual household separators)	from 8421 11 000 0, from 8421 19 700
Electrical devices for linen squeezing and drying	from 8421 12 000 0, 8451 21 100 0
Other centrifuges for foodstuffs	from 8421 19 700
Equipment for centrifugal and gravitation separation of liquid heterogeneous substances	from 8421 19 920, from 8421 19 970, from 8421 21 000 ,

	from 8421 29 000
Equipment for purification of waster water, drink water, including household	from 8421 21 000
Equipment for purification liquids and gases	from 8421 29 000, from 8421 39
Equipment for drinks filtration and purification, excluding water	8421 22 000 0
Filters for fuel and oils filtering in carburetor and diesel internal combustion engines (for motor vehicles)	from 8421 23 000 9
Filtering presses for conservation and food concentrates production	from 8421 29 000 9
Filters and separators for hydraulic circuits and lubrication systems	from 8421 29 000
Air filters for internal combustion engines (for motor vehicles)	from 8421 31 000 9
Gas-cleaning and dust-collecting equipment, electrical filters (including household equipment); equipment for wasted gases neutralization, installed at cars and buses	from 8421 39
Air cleaners for kitchens (electrical)	from 8421 39 200 9
Household dish-washing machines	8422 11 000 0
Other dish-washing machines	8422 19 000 0
Washing and drying equipment for bottles and other vessels (for foodstuffs), excluding equipment for pharmaceutical industry	from 8422 20 000
Equipment for filling, corking of bottles and cans, closing of boxes, bags and other vessels; equipment for sealing and labeling; equipment for hermetic sealing of bottles, cans, tubes and similar vessels using caps (kids); equipment for liquids aeration (for foodstuffs and perfumery), excluding equipment for pharmaceutical industry	from 8422 30 000
Packing and wrapping equipment (including equipment used to wrap the goods with thermocontractable packing material), other equipment (for foodstuffs), excluding equipment for pharmaceutical industry	from 8422 40 000
Household electromechanical scales (electronical) with mains supply	from 8423 10 100 0
Units for painting of products of machine-building industry using electrostatic concretion	from 8424
Charged fire extinguishers, components of automatic fire-fighting plants (water sprayers, of sprinkler and drencher type, foam and drencher sprayers, valves of control units, shut-off assemblies, dosing devices of foam fire extinguishing systems)	from 8424 10, from 8424 89 000 9, from 8424 90 000 0, from 8481
Sprayers and similar devices	from 8424 20 000 0

Car washing installations with built-in engine	from 8424 30 010 0, from 8424 30 050 0, from 8424 30 090 0 from 8424 89 900 1
Sandblast, shotcasting, shotblast-shotcasting machines, working on compressed air, for foundry	from 8424 30 100 0
Sandblast or steam-jet machines and similar sprayers for surface preparation for painting	from 8424 30 100 0, from 8424 30 900 0
Sprayers and aerosol sprayer machines for agriculture and gardening, including electric	8424 81 910 0, 8424 81 990 0
Portable electrical glue sprayers	from 8424 89 900 9
Electrical blocks and tackles with loading capacity not less than 0,1 ton and not more than 80 tons	from 8425 11 000 0
Fixed car lifters	8425 41 000 0
Cranes: - bridge cranes on fixed bearings; - frame cranes; - tower construction cranes;	8426 11 000 0 from 8426 19 000 0 from 8426 20 000 0
Pneumactical wheeled cranes or auto wheeled cranes	from 8426 41 000, from 8426 19 000 0, from 8426 30 000 0, 8705 10 00
Crawler crane; cranes for tractors; mounted cranes and cranes for stacking pipes	from 8426 19 000 0, from 8426 30 000 0, from 8426 49 00, from 8426 99 900 0
Fork-lift tracks; other autoloaders with lifting or loading equipment	from 8427
Passenger elevators	from 8428 10 200 0 from 8428 10 800 0
Conveyors	8428 20, 8428 31 000 0, 8428 32 000 0, 8428 33 900 0, 8428 39 200 0, 8428 39 900 0

Bucket front lifts	8429 51 100 0, 8429 51 910 0, 8429 51 990 0
Single-bucket and multi-bucket excavators	8429 52 100 0, from 8429 52 900 0, from 8429 59 000 0
Pile-driving equipment (including pile-driving hammers)	from 8430 10 000 0
Snow crabs and rotary snow plows	8430 20 000 0
Cleaning machines, tunneling machines for coal and rock	from 8430 31 000 0, from 8430 39 000 0, from 8430 41 000 0, from 8430 49 000 0
Drilling installations for production and deep exploratory oil and gas drilling, including installations for wells development and repair	from 8430 41 000 0, from 8430 49 000 0
Buckets, clam-shells, pinchers and scoops	8431 41 000 0
Bulldozers' blades, rotary and non-rotary	8431 42 000 0
Components of drilling and tunneling machines of sub-item 8430 41 and 8430 49 and drilling installations for production and deep exploratory oil and gas drilling, for wells development and repair, included into sub-item 8430 49 000 0	8431 43 000 0
Horticultural and forestry motorized equipment for soil preparation and tillage	from 8432 10 900 0, from 8432 29
Tractor seeders, planters	from 8432 30
Organic and mineral fertilizers spreaders	from 8432 40
Mowing-machines, lawn-mowers; mowing machines, including those installed at tractors	from 8433 11, from 8433 19 (excluding 8433 19 900 0), 8433 20
Row reaping machines (self-propelled)	From 8433 20 100 0
Combine-harvester, ensilage harvesters, corn combines	8433 51 000 0 8433 59 110 0, 8433 59 190 0 From 8433 59 800 0

Harvesting machines for tubers and roots	8433 53
Harvesting machines for fruit and berries, self-propelled	from 8433 59 300 0, from 8433 59 800 0
Machines for cleaning, sorting or culling of eggs, fruit or other agricultural goods	8433 60 000 0
Milking installations and devices, equipment for treatment and processing of milk	8434 (excluding 8434 90 000 0)
Presses, crushers and similar machines for wine-making, production of cider, fruit juices and similar beverages	8435 (кроме 8435 90 000 0)
Machines and devices for forages preparation	8436 10 000 0
Incubators	from 8436 21 000 0
Forestry machines and equipment	8436 80 100 0
Machines for cleaning, sorting or grading of seed, grains or dry beans; equipment for flour-milling industry or other equipment for processing of grains or dry beans, excluding machines, used at agricultural farms	8437 (excluding 8437 90 000 0)
Equipment for industrial cooking or production of foodstuffs or beverages, not included elsewhere, excluding equipment for extracting or preparation of animal or solid vegetable fats or oils	from 8438 (excluding 8438 90 000 0)
Binding equipment, including bookbinding machines	8440 (кроме 8440 90 000 0)
Equipment for goods manufacturing from paper pulp, paper or cardboard, including film-slitting machines of all kinds, other	8441 (excluding 8441 90)
Machines, equipment and fittings (excluding machines from trade items 8456 - 8465) for type-casting or typing, for preparation or manufacturing of printing blocks, plates, cylinders or other printing elements	8442 (excluding 8442 40 000 0, 8442 50)
Printing equipment, including paint jet printers, other than included in trade position 8471; auxiliary machines and machinery (except for auxiliary machines for manufacturing of printing plates and printing on plate materials)	8443 (except for 8443 13 100 0, 8443 32 200 0, 8443 91)
Photo copying machines with built-in optical system or of contact type and thermal copying machines	8443 31 910 0, 8443 31 990, 8443 32 910 0, 8443 32 950, 8443 39 100 0, 8443 39 210, 8443 39 290 0, (except for 8443 99 100 1, 8443 99 100 9,

	8443 99 900 1, 8443 99 900 9)
Machines for textile fibers preparation; cablers and other equipment for yarn production; cocoon-reeling machines and reeling machines (including cop-winding); machines for yarn preparation for use at machines of trade item 8446 and 8447 (excluding drawing, lapping, ribbon-lapping, roving machines)	8445
Looms	8446
Knitting, sewing-knitting machines, machines for production of braid, curtain laces, laces, machines for embroidery, braiding, netting, taffeta machines	8447
Household or laundry washers, including machines with squeezers (excluding ship machines)	from 8450 (excluding 8450 90 000 0)
Equipment (excluding machines from trade item 8450) for cleaning, ironing, pressing (including presses for materials heat fixing), whitening, dyeing, dressing, decorating, plating or steeping of textile yarn, materials or finished textile goods; reeling, reeling-out, stowage, cutting or pricking of textile materials (excluding moistening equipment)	from 8451 (excluding 8451 10 000 0, 8451 80, 8451 90 000 0)
Machines for dry cleaning	8451 10 000 0
Household sewing-machines	8452 10
Other sewing-machines	8452 21 000 0, 8452 29 000
Equipment for preparation, tanning or processing of pelt or leather	8453 10 000 0
Equipment for footwear manufacturing	8453 20 000 0
Moulds and scoops for foundry	from 8454 20 000 0
Casting machines, used in foundry	from 8454 30
Machines for processing of any materials by material removing using laser or other light or photon beam, as well as ultrasonic, sputter-ion, electrochemical, electron-beam, ion-beam or plasma processes	8456
Machining centers, single-station and multi-station multihead machines for metal processing	8457
Metal-cutting lathes (including multipurpose lathes)	8458
Metal-cutting machines (including linear multihead machines) for drilling, boring, milling, external or internal thread cutting by metal removal,	8459

excluding lathes (including multipurpose lathes) of trade item 8458	
Rough-grinding, cutter-grinding, grinding, honing, lapping, polishing machines, machines for performance of other operations of metals or cermet finishing using abrasive disks, abrasives and polishing materials, excluding gear-cutting, gear-grinding or gear-finishing machines of trade item 8461	from 8460
Planers, shaping machines, mortising, broaching, gear-cutting, gear-grinding or gear-finishing machines, sawing, cutting and other machines for metals or cermet processing by metal removal using cutting tools, not included into other items	from 8461
Machines (including presses) for metals processing by die forging, forging or pinching; benders, edgers, straighteners, cutting machines, perforators or blanking machines (including presses) for metal processing; presses for metals or their carbides, not named above	from 8462
Other machines for metals or cermet processing without material removal (for processing using methods of plastic deformation)	from 8463
Wood-working machines	from 8465
Pneumatic manual tools	8467 11 8467 19 000 0
Electromechanical manual tools with built-in electrical engines	from 8467 21 from 8467 22 from 8467 29 (excluding 8467 21 100 0, 8467 29 100 0, 8467 29 300 0)
Circular saws with hard surface plates for wood working	from 8467 22 300 0, from 8467 89 000 0
Machines for green hedge trimming and lawn-trimming machines	from 8467 29 800 0, from 8433 11, from 8433 19
Petrol motor chain saws	from 8467 81 000 0
Devices for lawn trimming in corners, along walls, borders and under bushes	from 8467 89 000 0
Equipment and devices for soldering, including refractory soldering, or for welding, suitable and unsuitable for cutting, not included into trade item 8515; machines and devices for surface treatment, gas fueled	from 8468 (excluding 8468 90 000 0)
Automated typewriters and devices for text processing; other electrical typewriters	8469 00 100 0 from 8469 00 900 0 8469 00 500 0

Other electrical calculating machines; electrical accounting machines; cash registers with line supply	8470 30 000 0, from 8470 90 000 0, 8470 50 000 0
Digital computers	8471 30 000 0, 8471 41 000 0, 8471 49 000 0
Computer devices, located in its own case with line supply	from 8471 50 000 0, from 8471 60 (excluding 8471 60 600 0), from 8471 70, from 8471 80 000 0
Bar codes reading devices with charging device or with line supply, card reading devices for non-cash payment systems with charging device or line supply	from 8471 90 000 0
Machines for sorting, calculation and packing of bank notes and securities (electrical)	from 8472 90 900 0
Sorting, grating, separation or scrubbing machines	from 8474 10 000 0
Machines for molding materials screening for foundry	from 8474 10 000 0
Equipment for molding materials regeneration for foundry	from 8474 10 000 0
Equipment for molding materials grinding for foundry	from 8474 20
Crushing and pounding machines	8474 20
Concrete mixers or cement mixers	8474 31 000 0
Machines for mineral substances mixing with bitumen	8474 32 000 0
Soil mixers	from 8474 39
Mixers, used for founding sand blends preparation	from 8474 39
Molding machines for foundry	from 8474 80
Equipment for preparation of molding materials, sand blends preparation, manufacturing of moulds and rods for foundry	from 8474 80
Equipment for processing of resin or plastics or for goods manufacturing from such materials, not included into other clauses	from 8477 (excluding 8477 90)
Equipment for tobacco preparation or processing, not included into other clauses (excluding tobacco drying units with capacity up to 6,5 kW)	8478 10 000 0
Cleaning machines, vacuum cleaners, water & vacuum cleaners, floor polishing machines, floor polishing & washing machines, cleaning & floor washing machines	from 8479 10 000 0, from 8508
Apparatuses for physical & chemical and physical & mechanical processes	from 8413, from 8417, from 8419,

	from 8421, from 8423, from 8428, from 8439, from 8441, from 8465, from 8474 20, from 8479 82 000 0, from 8479 89 970 9, from 8514, from 8543, 8543 30 000 0, from 9027
Asphalt pavers	from 8479 10 000 0
Asphalt lifting devices	from 8479 10 000 0
Equipment for extracting or preparation of animal or solid vegetables fats and oils	8479 20 000 0
Mixers, blending and hogging machines	from 8474 (for mineral substances) from 8479 82 000 0
Soap cutting or soap-shaping machines	from 8479 89 970 9
Presses for palletizing and performing of food concentrates	from 8479 89 970 9
Stand for car tires fitting	from 8479 89 970 9
Machines for molds knock-out from cores for foundry	from 8479 89 970 9
Taps, valves, gates and similar fittings for pipelines, boilers, reservoirs, tanks and similar vessels, including reducing and thermo regulating valves	from 8481 (excluding 8481 20, 8481 80 110 0, 8481 80 190 0, 8481 80 310 0, 8481 80 390 0, 8481 90 000 0)
Frictionless bearings (rotary and hub for cars and trucks, bases, shuttles, motorcycles and motorscooters)	from 8482 10 900 0, from 8482 20 000 0, from 8482 50 000 0
Frictionless bearings for assemblies of cars steering, roller frictionless bearings for axle-boxes of railway stocks	from 8482 10, from 8482 20 000 0, from 8482 40 000 0, from 8482 50 000 0
Button shaft for car engines	from 8483 10
Reducers and motor-reductor, chain variators	from 8483 40 510 0, from 8483 40 590 0, from 8483 40 900 0, from 8501
Controlled mechanical friction clutches, with electromagnetic switching and electromagnetic multidisk clutches with magnetic conductive disks	from 8483 60, from 8505 20 000 0
Asbosteel disks gaskets	from 8484 10 900 0
Engines with capacity not exceeding 1 kW: - asynchronous;	from 8501

- commutator	
Electro generator units with reciprocating combustion engine with compression ignition (diesel) with working volume not exceeding 2500 cm ³ , with capacity not exceeding 10 kVA (excluding ship, locomotive, welding electrical units and units of aircrafts and electric trains)	from 8502 11
Electro generator units with reciprocating combustion engine with spark-plug ignition with working volume not exceeding 2500 cm ³ , with capacity not exceeding 10 kVA	from 8502 20 000 0, from 8502 20 400 0
Transformers or autotransformers (automated) - power transformers; - current and voltage transformers (excluding lab instrument transformers)	from 8504
Ballast elements for discharge lamps or tubes	8504 10
Charging batteries devices, power sources for tele- and radio-electronic appliances	from 8504 40 550 9, from 8504 40 810, from 8504 40 900 9
Devices for car accumulators charging	from 8504 40 550 9
Electrical accumulators and storage batteries (excluding those intended for civil aviation, as well as alkaline nickel cadmium non-hermetic cylindrical, disk, prismatic closed batteries)	from 8507 (excluding 8507 90)
Electrical household appliances with built-in electrical engines	from 8509 (excluding 8509 90 000 0)
Electric razors, haircutting machines and appliances for hair removal with built-in electrical engines	8510 (excluding 8510 90 000 0)
Electrical equipment for ignition or starting of combustion engines with spark ignition or ignition of gas mixture compression for motor vehicles (bobbins, spark-plugs, starters), generators (i.e. of continuous and alternating current) and breakers, used in combination with above-mentioned engines	from 8511 (excluding 8511 20 000, 8511 90 000)
Electrical lighting or signaling equipment (excluding goods of trade item 8539), screen wipers, used at motor vehicles, bicycle cat's eyes	from 8512 (excluding 8512 90 000 0), from 8714
Machines and appliances for electrical (including those with electrical gas heating), laser and other light or photon, ultrasonic, electron-ray, magnetic-discharge or plasma-arc and other refractory soldering or welding, other depending on whether such devices are capable of performing cutting operations or not; electrical machines and appliances for hot metal or cermet	from 8515 (excluding 8515 80 910 0, 8515 80 990 0, 8515 90 000 0)

spraying)	
Machines for manufacturing packages from polymeric material for foodstuffs	from 8515 80 910 0, from 8515 80 990 0
Electrical inertia-free water heaters (for running water) or accumulating (for water in vessels), electrical equipment for space and ground heating; electro-thermal appliances for hair care (i.e. hair dryers, hair-rollers, curling-irons) and hand dryers; electrical irons other household electrical heating devices (excluding devices, used at ships)	from 8516 (excluding 8516 90 000 0)
Electrical water heaters for hot water supply and animal feeding	from 8516 10
Telephone set for wire communication with wireless tube	8517 11 000 0
Prefixes to telephone set with line supply (AOH, etc.)	из 8517
Door intercommunication systems	8517 69 200 0
Turntable units (sounding boards), gramophone records players, cassette players and other sound reproducers without sound-recorders with charging device or line supply	from 8519 (excluding 8519 81 200 0)
Answering machines	8519 50 000 0
Tape-recorders and other sound-recorders, both including and not including sound reproducers with line supply	from 8519 81 520, from 8519 81 540, from 8519 81 560 from 8519 81 580 from 8519 81 900 0 from 8519 89 900 0
Video recorders or video reproducers, combined or not combined with video-turners, with line supply	from 8521
Television cameras with line supply	from 8525 80 110 0, from 8525 80 190 0
Transmitting appliances for radio broadcasting	from 8525 50 000 0, from 8525 60 000 0
Ship radar and radio navigation equipment	from 8526 10 000 9, from 8526 91 200 9 from 8526 91 800 0
Receiving equipment for broadcasting with line supply	from 8527
TV-sets, video projectors, video monitors with line supply	8528
Video tuners with line supply	from 8528 71
Sound or light signaling electrical equipment (i.e. alarms, sirens, display panels, theft signaling equipment), excluding equipment of trade item 8512 or 8530 (excluding fire-fighting equipment and equipment for civil aviation)	from 8512 30 100 1, from 8512 30 100 9, from 8531 10 300 0, from 8531 10 950 0, from 8531 20 400 9, from 8531 20 950 9

Household electrical bells with voltage exceeding 36 V	from 8531 80 950 0
Electrical appliances for commutation or protection of electrical circuits or for attaching to electrical circuits or within electrical circuits (i.e. switches, breakers, safety devices, voltage limiters, step voltage suppressors, current collectors, slip rings) for voltage not exceeding 1000 V (excluding lighting-conductors)	from 8535 (excluding 8535 10 000 0)
Electrical appliances for commutation or protection of electrical circuits or for attaching to electrical circuits or within electrical circuits for voltage not exceeding 1000 V (excluding safety devices, control and monitoring devices for high-voltage equipment, patrons and starters for luminous tube lamps, automated control devices for household appliances)	from 8536 (excluding 8536 10)
Control panel, consoles, switchboards, boards for electrical appliances, equipped with two or more devices, included into trade items 8535 or 8536	from 8537
Electrical or gas-discharge incandescent lamps, including hermetic directional lights lamps, as well as ultraviolet or infra-red lamps; arc lamps (including discharge lamps of high and ultrahigh pressure)	from 8539 (excluding 8539 10 000 1, 8539 32 500 0, 8539 32 900 0, 8539 90)
Equalizers	from 8543 70 900 9
Wires and cords reinforced (except for industrial application), equipped with connecting adaptations	from 8544 42 900 9
Cords - connectors and extension pieces for connection to line supply, including with built into devices	from 8544 42 900 9
Extension cord on coils for household and for analogical purpose	from 8544 42 900 9
Vessels for transportation of food liquids or oil, specially intended and equipped for transportation by one or several types of vehicles	from 8609 00 900
Tractors (excluding second-hand)	from 8701 (excluding 8701 20 90, 8701 90 500 0)
Cars for transportation of 10 people or more, including the driver (excluding second-hand)	from 8702
Cars for transportation of 9 people or less, including the driver, excluding second-hand, racing, intended for transportation of golf players	from 8703
Water bicycles (except second hand)	from 8703
Trucks, excluding second-hand, intended for used outside road network and for	from 8704

highly-radioactive materials transportation	
Special purpose cars, excluding those used for passengers or cargo transportation (i.e. trucks for emergency repairs, auto cranes, fire-fighting vehicles, truck mixers, road cleaning vehicles, watering machines, cars with X-ray devices), excluding second-hand	from 8704, from 8705
Components and equipment for cars, classified in trade items from 8701 to 8705 (excluding second-hand and reconstructed ones), viz: <ul style="list-style-type: none"> - bumpers and their parts; - safety belts; - brakes, servobrakes and their parts; - drive bridges with differential gear, assembled or separately from other transmission components; - running wheels, their parts and fittings; - silencers; - clutch; assembled pressure and driven disks; - assembled steering devices; - cardan shaft; - spiders. 	8708 10 900 0, 8708 21 900 0, 8708 30 (excluding 8708 30 100 0), 8708 30 910 0, 8708 50 300 0, 8708 70 (excluding 8708 70 100 0), from 8708 92 300 0, from 8708 93 900 0, from 8708 94 300 0, from 8708 94 800 0
Assembled friction brake linings for vehicles	from 8708 30
Motorcycles (including motor bikes) and bicycles with installed auxiliary engine, with buddy-seats or without them (excluding second-hand)	from 8711
Bicycles and other types of bicycles (including transport tricycles) without engine	from 8712 00
Wheelchairs, whether with engine or other transportation mechanisms or without them	from 8713
Prams	8715 00 100 0
Car and tractor (including logging) trailers and semi-trailers (excluding second-hand, intended for highly radioactive materials transportation); components of car trailers and semi-trailers: wheels, suspension brackets, drag-bars, braking system	from 8708, from 8716 (excluding 8716 39 100 0, 8716 39 800, 8716 80 000 0, 8716 90 100 0, 8716 90 300 0, 8716 90 500 0)
Trailed trucks (drivable)	from 8716 80 000 0
Yachts and other floating vehicles for rest or sport; rowing boats and canoe (excluding rowing inflatable boats and canoe)	from 8903
Contact lenses for sight correction	9001 30 000 0
Protective glasses (excluding corrective and sun glassed) and face protective	from 9004, from 4823,

shields, welding face protective shields	from 3926, from 7326
Photo cameras with built-in or removable flashbulbs	from 9006 (excluding 9006 52 000 1, 9006 53 800 1, 9006 59 000 1, 9006 30 000 0, 9006 61 000 0, 9006 91 000 0, 9006 99 000 0)
Discharge lamp (electronic) flashlight apparatus	9006 61 000 0
Devices and equipment for professional cinematograph (excluding parts)	from 9007, from 9010
Photocopying machines with optical system or contact-type or thermo copying machines	8443 31 910 0, 8443 19 990, 8443 32 950, 8443 32 910 0, 8443 39 100 0, 8443 39 210, 8443 39 290 0 (excluding 8443 39 900 1, 8443 99 100 1)
Equipment for automated photo films or rolled photographic paper development	from 9010 10 000 0
Ship compasses for direction determination; navigation ship devices	from 9014 10 000 0, from 9014 80 000 0
Automated drawing tables and machines	from 9017 10
Devices and appliances, used in medicine, surgery, stomatology, including scintigraphic devices; other electrical medical equipment, sight examination devices (excluding devices and equipment, used in veterinary medicine)	from 9018
Electrical vibratory massage devices	9019 10 100 0
Devices for ozone, oxygen, aerosol therapy, artificial respiration and other therapeutic devices	9019 20 000 0
Products traumatologic: devices for fixing femurs, implant for an osteosynthesis, a wire from special alloys (with the titan) for connecting and implanted elements of products for bones of an organism; apparatus and devices for replacement of functions of bodies and systems of an organism: devices for a hemodialysis, artificial limbs of blood vessels and valves of heart, artificial limbs of joints implanted, intraocular lenses (an artificial crystalline lens), implanted electropacemakers and external electropacemakers; medical transport means: stilts, crutches	from 9021, from 9018, from 8108 90 300 0
Appliances, based upon use of X-rays, alpha, beta- or gamma radiation, intended for use in medicine, surgery and stomatology, including	from 9022

radiographical or radiotherapeutic, X-ray tubes and other X-radiation generators, high voltage generators, control boards and panels, screens, tables, arm-chairs and similar goods for examination or treatment (excluding devices and appliances used in veterinary medicine)	
Manometers and pressure monitors	from 9026 20 (excluding 9026 20 100 0)
Gas and smoke analyzers	from 9027
House and flat volumetric diaphragm gasometers	from 9028 10 000 0
Cold and hot water meters, for houses and flats, wing and turbine	from 9028 20 000 0
Electrical energy meters for alternating current (active and reactive), electron and inductive (including those for household purposes)	from 9028 30
Car speedometers	from 9029 20 310 0
Oscilloscopes and oscillographs, electron-ray and other	9030 20 900 0
Testing devices of technical diagnosing, testing and regulation of joints and units of cars: - for check of electric equipment; - for car wheels balancing; - for testing and regulation of car engines' fuel devices; - for testing and regulation of car headlights; - for control of car wheels mounting angles; - for car brakes control	from 9030, from 9031, from 8471
Universal electrical measuring equipment	from 9030 31 000 0
Electrical measuring self-recording devices	from 9030
Thermostats	from 9032 10
Music instruments, using electricity for sound producing or amplification (electrical musing instruments) (i.e. organs, guitars, accordions)	9207
Revolvers and pistols, excluding those included into trade items 9303 or 9304	9302 00
Single-barreled plane guns, for sports, hunting and for target shooting, including magazine guns	from 9303 20 100 0
Double-barreled guns, for sports, hunting and for target shooting,	from 9303 20 950 0
Combined guns and rifles	from 9303 20 950 0
Sports rifles, for hunting or target shooting, other	from 9303 30 000 0
Fire guns and gas revolvers, using powder cartridges with toxic materials	from 9303 90 000 0

Flare pistols and other fire devices for signal flare launch, as well as other arms, designed for signaling only	from 9303 90 000 0
Lone-throwing guns	from 9303 90 000 0
Aerosol devices (gas cylinders), mechanical sprayers, loaded with toxic substances	from 9304 00 000 0
Pneumatic and gas weapons, using compressed air or gas energy for damaging element throwing, as well as spring weapons	from 9304 00 000 0
Barrels, barrel boxes, frame bars, drums of sports and hunting guns, in case of independent supply to the trade network	from 9305
Patrons for riveting and similar tools or for pistols with escape rods for humane animals slaughter	from 9306 30 970 0
Shotguns cartridges	from 9306 21 000 0
Cartridges for rifled fire-arms (excluding cartridges for battle weapons)	from 9306 30 100 0, from 9306 30 910 0, from 9306 30 930 0
Cartridges for fire "gas" guns and rifles	from 9306 30 910 0, from 9306 30 930 0
Cartridges for signal guns	from 9306 30 930 0 from 9306 30 910 0,
Cold steel	from 9307 00 000 0
Household furniture for children (excluding parts of children furniture), wooden beds for a house, furniture for offices, for pharmaceutical offices, for laboratories, for preschool, for public catering, for consumer services, library, for hotels, for waiting rooms of transport establishments, for posts, for hostels, for educational institutions	from 9401 from 9403
Medical, surgical, stomatology furniture (i.e. operating tables, examination tables, hospital beds with mechanical devices, dentist's chairs, lifts, rehabilitation simulators), excluding veterinary furniture and hairdressers' furniture	from 9402, from 9506 91 100 0, from 9506 91 900 0, from 9506 99 900 0 from 8425, from 8428, from 9019 10 900 9
Go-carts	from 9403
Lamps and lighting equipment (designed for civil aviation, components of the above goods, non-electrical lamps and lighting equipment, emergency lighting lamps, exterior lighting lamps	from 9405

Toys (excluding Christmas-tree toys, artificial Christmas-trees and fittings thereto, equipment for playgrounds (open), sports equipment, exact scale models, folk decorative dolls, puzzles with number of parts exceeding 500 or puzzles without images, intended for specialists, pneumatic guns and rifles, slings and catapults, metal-point arrows for target shooting, toy steam engines, bicycles with height from the saddle to the floor exceeding 635 mm, exact replicas of fire-guns, bijouterie for children	from 9503 00
Inflatable toys for water games (excluding swimming over sleeves, games in the bath)	from 9503 00 930 0, from 9503 00 990 0, from 9506 62 900 0, from 9506 99 900 0
Video games using television receiver with charging device or line supply	from 9504 10 000 0
Play machines with line supply	from 9504
Table or indoor games (for children)	from 9504 90
Children's suits for a carnival, children's masks, beards, moustaches, the wigs being imitation	from 9505, from 61, from 62, from 6704
Sport sets for children (including swings and slides), excluding for streets playgrounds	from 9506 91 900 0, from 9506 99 900 0
