The annex (19 pages) is an integral part of the certificate.

DAR registration number: KBA-P 00001-95

Head of the designation body

Dresden, 05 October 2009

**Annex to the Certificate of accreditation
KBA-P 00001-95 of 05 October 2009**

It has been proved that the testing laboratory is competent for the scope given below to carry out or supervise autonomously tests acceptable for approval or Teilegutachten procedures on the basis of²

- The law about the Agreement of 20 March 1958 concerning the adoption of uniform technical prescriptions for wheeled vehicles, equipment and parts and the conditions for reciprocal recognition of approvals, revision 2
- The Decree on re-organisation of legislation for EC approval procedures (EG-FGV) in connection with the framework directives 2007/46/EC, 2002/24/EC, 2003/37/EC
- The German Road Traffic Licensing Regulations (StVZO)
- The Decree on vehicle parts (FzTV).

Appropriate skills, specific technical knowledge and proven experience have been demonstrated in accordance with the framework directive 2007/46/EC.

The testing laboratory is designated for the below defined scope as Technical service in accordance with the framework directive 2007/46/EC³ and recognised by the KBA for type approval procedures in accordance with EG-FGV.

Accredited, designated and recognised testing methods (Prüfverfahren) are included in following scopes (Prüfgebieten):

- 01 Whole vehicle
- 02 Engine/Pollutant emission
- 03 Noise emission
- 04 Steering and brake systems
- 05 Wheels/Tyres
- 06 Light technical devices
- 07 Durability tests/Coupling devices
- 08 Electrical/electronic equipment
- 09 Field of vision
- 10 Passive safety
- 11 Outside safety
- 12 Measuring and monitoring devices
- 13 Other
- 90 Teilegutachten

The scope refers only to the designation in general and does not allow any conclusions about the scope of single sites.

² if relevant

³ if the test procedure is covered by the framework directive 2007/46/EC
